Title of the Article

CONFLICT OF INTEREST (regarding the Article)

Did you or your research organization receive financial support or other services from a third party (government, commercial company, private foundation or other research organization) during the research and preparation of the Manuscript?

Yes No

If the answer is YES, fill in the boxes below. Forms of support: grant, personal remuneration, non-financial support (provision of equipment, etc.) or other (explain in detail).

Title of Organisation

Form of support

CONFLICT OF INTEREST (regarding the area of research)

Over the past three years, have you taken part in studies similar to the study described in the Manuscript? Have you or your research organisation received financial support while conducting those studies? If the study resulted in the development a product, you don't have to specify the sources of funding but be sure to mention the manufacturer that benefited from the development of the product.
